

Year-Round Water Restrictions

Lawn watering is limited to **ONE day a week**.

Lawn watering days and times

- Addresses ending in the number 0 or 1 water only on Mondays before 6am or after 6pm.
- Addresses ending in the number 2 or 3, water only on Tuesdays before 6am or after 6pm.
- Addresses ending in the number 4 or 5, water only on Wednesdays before 6am or after 6pm.
- Addresses ending in 6 or 7, water only on Thursdays before 6am or after 6pm.
- Addresses ending in the number 8 or 9 or locations with no addresses, water only on Fridays before 6am or after 6pm.
- Properties with 2 acres and greater may water before 8:00am or after 6:00pm on each allowable watering day.
- HOA's with common areas Friday's Only.
- No watering shall occur within 24 hours after rainfall.

Low volume micro-irrigation (i.e., drip irrigation, misters, soaker hoses) or hand watering (using a hose with a self-canceling or shut-off nozzle, or both) of trees, shrubs, flowers, and vegetable gardens shall not be restricted by days of the week; however, shall be limited to the minimum necessary and is permitted only during the hours set forth above.

New turf grass (sod, seed, plugs and sprigs) and new landscaping may be irrigated and are exempt from day of the week restrictions set forth above only during the first 60 days after installation; however, such irrigation shall be limited to the minimum necessary, shall only be accomplished during the hours allowed above, and is limited to only new turf grass and new landscaping. Users shall curtail irrigation when rain has occurred in the past 12 hours.

Irrigation for the purpose of applying insecticides, fungicides, and herbicides is restricted to designated days and times for that address. Such irrigation shall be limited to the minimum necessary and shall only be accomplished during the hours specified above.

The washing of automobiles, trucks, trailers, mobile homes, campers, boats, or any other type of motor vehicle or equipment is permitted using low volume washing. Low volume mobile equipment washing means the washing of mobile equipment with a "bucket" and "sponge" or a hose with a self-canceling or automatic shut-off nozzle or both. Unless a

business enterprise established for such purpose is used, the washing of non-business, personal vehicles shall be conducted no more than one time per week.

The hosing down of porches, sidewalks, driveways, and other hard surfaces, shall only be permitted with the use of a hose with a self-canceling or automatic shut-off nozzle or both. Hosing-down a driveway or other impervious surface to remove grass clippings or other debris that can be removed with a broom or other dry methods is prohibited.

Outdoor recreational and aesthetic uses of water, such as decorative water fountains and features, shall be limited to daylight hours unless such fountains or features provide a necessary aeration and/or water quality benefit. The operation of decorative water fountains or features using reclaimed water is not restricted; however, a sign stating "using reclaimed water" must be posted next to the water fountain or feature.

Road construction servicing contractors (water tankers) shall use reclaimed water rather than potable water when reclaimed water is available within close proximity to the road construction project.

Violation shall be subject to the following penalties

- First violation - Written warning
- Second violation - \$100.00
- Third violation - \$200.00
- Fourth violation - \$300.00
- Fifth and subsequent violations - Fine not to exceed \$500.00
