For the safety of our utility staff, on-site pets must be secured in areas away from water meter locations.

Utility bills are due on the first (1<sup>st</sup>) of each month. A late fee charge of the greater of \$10 or 1.5% of the outstanding balance will be added to the account if received after the 1<sup>st</sup>. Failure to pay by the 10<sup>th</sup> will result in service disconnection and service may not be reinstated until the full balance on the account is paid. I understand that failure to pay my City of Davenport utility bill may result in further collection action which includes submission to a collection agency and credit bureau reporting.
