**SECTION 3. BUSINESS IMPACT ESTIMATE.** Pursuant to Section 166.041(4), Florida Statutes, the City of Davenport is required to prepare a business impact estimate for certain proposed ordinances. This proposed ordinance rezones property in accordance with the owner's proposed use related to a voluntarily annexation of land into the City of Davenport. Such an amendment to the City's Plan (1) serves a public purpose by serving the public health, safety, morals, and welfare of the City, (2) has no direct negative economic impact on private, for-profit businesses in the city, (3) will not result in direct compliance costs by businesses, (4) does not impose any new charge or fee on businesses for which businesses will be financially responsible, and (5) does not create any additional municipal regulatory cost which is not recovered appropriately and

lawfully by the City. Thus, it is estimated that neither residents nor any business will incur additional costs. The City does not seek to impose any additional user or regulatory fees or charges, nor are any direct compliance costs expected. The Business Impact Estimate form for this ordinance is on file with the City Clerk.
