No alleyway pickup effective 2/28/2018. Place yard waste at front curb.
DAVENPORT IS UPGRADING TO ALL-IN-ONE RECYCLING™ WITH CONTAINERS – WHY?
This method makes recycling easier and more convenient while offering the capability of more volume.
Containers reduce the amount of windblown litter and animal disturbances.
Containers with lids will take up the same amount of space as your current container, only taller.

HOW BIG ARE THE CONTAINERS?
Containers can hold up to 65-gallons of recyclable items. The containers also have wheels so that residents can easily roll their recyclables to the curb for collection. All recyclables can be mixed together loose in the container.

DO I NEED TO BE HOME TO RECEIVE DELIVERY OF MY NEW CONTAINER?
No. Your recycling containers will be delivered to the curb of your home starting the week of 2/19/2018. If you do not receive a 65-gallon recycling container by 2/27/2018 please call (863) 665-1489.

HOW DOES THIS UPGRADE AFFECT MY COLLECTION DAYS?
Your waste, recycling, yard waste and bulk pickup starting 2/28/2018 will be every Wednesday. Prior to 2/28/2018 all services will remain on current service day.

HOW FAR FROM THE CURB AND OTHER OBSTACLES CAN I PLACE MY CONTAINER?
Place the container(s) no more than three (3) feet from the curb and all overhead obstructions (tree limbs and wires) should be a minimum of thirteen feet high. The handles must be facing your residence. The arrows on top of the lid must be facing the street.

WHAT DO I DO WITH MY 18-GALLON YELLOW RECYCLE CONTAINER(S)?
Residents can keep their 18-gallon recycle container(s), or may return them to the Davenport Public Works Department located at 1318 By Gosh Blvd. Davenport, FL. On and after 2/28/2018 only use the 65-gallon blue container for recyclables.

CAN I USE THE NEW CONTAINER BEFORE ALL-IN-ONE RECYCLING™ BEGINS?
No, All-In-One Recycling™ collection will begin on 2/28/2018. Continue using your current recycle containers until 2/28/2018, then no longer use the containers.

HOW DO I PLACE MY RECYCLE MATERIALS IN THE NEW CONTAINERS?
Place your recycle materials inside your container with the lid closed. A full list of acceptable and non-acceptable materials is printed on top of your container.

CAN I REQUEST AN ADDITIONAL CONTAINER?
Yes. To request an additional container, please call City of Davenport at (863) 419-3300.

DO I NEED TO BAG MY RECYCLABLES?
No, do NOT bag recyclables because the plastic bags cannot be recycled through this program.

DO THE ALL-IN-ONE COLLECTION CONTAINERS HAVE ANY OTHER BENEFITS?
Yes, they reduce the chance of wind-blown litter. In addition, containers with lids will take up the same amount of space as your current bin, only taller.

CAN WE PUT MORE RECYCLABLES OUT NEXT TO OUR CONTAINERS?
No. All recyclables must be placed inside the container with the lid closed. If you typically have more recyclables than the container will hold you may call the City of Davenport and order an additional container at (863) 419-3300.

NO PICK UP HOLIDAYS INCLUDE:
Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and New Years’ Day. Routes will be pushed forward by one day following a holiday. For example, if a holiday is on Wednesday and your normal service day is Wednesday, you will be serviced on Thursday.

WHAT IF MY CONTAINER IS BROKEN?
Republic Services will repair your container as needed. To contact Republic Services about your container, please call (863) 665-1489.

WHERE CAN I STORE MY NEW CONTAINER?
It is recommended to place your new container by your home or in your garage.

WHAT DO I DO WITH THE CONTAINER IF I MOVE?
If you move, the recycling container remains behind for the next resident.
