Update Your Voter Record and Avoid Delays on Election Day

POLK COUNTY, FL (March 10, 2020) – Registered voters residing in the municipalities of Bartow, Davenport, Haines City, Lake Hamilton, Lake Wales and Mulberry who have moved or changed their name are encouraged to update their record with the Elections Office before the April 7th Municipal Elections. It’s also important to notify the Elections Office if your signature has changed.

Many changes can be made by calling the Elections Office at (863) 534-5888. Changes can also be made online at PolkElections.com.

“An address change may mean a voter has moved into or out of the city limits, an important detail in a city election,” explained Supervisor of Elections, Lori Edwards. “If a voter updates their record before the election, we can eliminate inconvenience on Election Day.”
