RFQ # 2026-01 Request for Qualifications – The City of Davenport Stormwater Vulnerability Assessment

Addendum #1

The following questions have been asked, and the answers are provided (in **Red**):

1. Are you able to provide a copy of the grant agreement associated with this project?
At this time there is no signed agreement for the Vulnerability Assessment. Please, refer to Section 1, B, Description of the components that will be required for this RFQ. The proposer must include but is not limited to the eleven (11) components listed in this section.
2. Please provide the grant agreement, including grant work plan with schedule.
Please see response 1 above.
3. Attachment I Supplier Survey was not included, please provide.
Attachment I, not required for this RFQ.
4. Does the City have preferred modeling methodologies (e.g., HEC-RAS, SWMM, ICPR) or should the Consultant propose the modeling approach?
The Consultant may propose the modeling approach as long as it complies with Florida Statute 380.093.

Please acknowledge receipt of Addendum # 1 in Attachment A of your proposal. RFQ # 2026-01 remains due on March 10, 2026 at 2:00 PM EST / 14:00. Please deliver to City of Davenport, Attn: City Clerk's Office, 1 S. Allapaha Ave., Davenport, FL 33837
